ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 16 February 1978

Request

1. [] LEGISLATION Called Jim Stimpson, OMB, about H.R. 4620, the Federal physicians pay bill. I briefly outlined our problems with the bill and told him a letter was in the mail. He promised to forward a copy of proposed Civil Service Commission testimony on the bill.

2. [] LIAISON Dr. Henry Myers, Robert Beck, House Interior and Insular Affairs Committee, and Richard Arenberg, office of Representative Paul Tsongas (D., Mass.), visited Headquarters to review the package of CIA documents on [] (sanitized) which were previously provided to the now defunct Joint Committee on Atomic Energy. No notes were taken during this review.

3. [] LIAISON Called Spencer Davis, Senate Select Committee on Intelligence staff, at [] Acting Legislative Counsel, request, and Davis read me the two sentence public statement Senator Daniel K. Inouye (D., Hawaii) had made after the Committee hearings last fall on a [] case.

4. [] LIAISON Called Mike Epstein, Senate Select Committee on Intelligence staff, and told him that we had additional [] material for his review. []

5. [] BRIEFING Accompanied [] CSS/NFAC, to a meeting with Bill Miller, Staff Director, Senate Select Committee on Intelligence, Hal Ford and Spencer Davis, also of the Committee staff, regarding the Committee's unclassified statement on the A Team-B Team exercise. The Committee staff members accepted all of [] suggested changes. One of the changes was on Senator Malcolm Wallop's (R., Wyo.) supplementary statement. Angelo Codevilla, Senator Wallop's designee, agreed reluctantly to the suggested deletion but indicated he would look at the issue again and would likely press for inclusion of the controversial statement in the formal Committee report on the A Team-B Team exercise.

request

6. [] LIAISON Informed David Bushong, Senate Select Committee on Intelligence staff, that the Agency had no records of the arrest of [] in Latin America in 1975 or 1976. Bushong had asked that Agency records be searched as he had received this information from another agency.

7. [] LIAISON Met with Stan Taylor, Senate Select Committee on Intelligence staff, who requested an NFAC briefing on 27 February on the issue of Soviet ability to detect U.S. nuclear submarines. Taylor previously reviewed documents on this subject, the most recent of which is 1976 and Taylor wants an update.

Taylor informed me that the Committee was hiring Richard Beal as a Committee consultant to aid the Committee in its understanding of IC's use of computers. Taylor asked that Beal's security clearance be set up for 27 February. In addition, he and Beal would like to meet with NFAC personnel on the SAFE computer program. Taylor and Beal would also like to meet with the NFAC officer in charge of external contracts on 27 or 28 February. Taylor indicated Tom Moore, of the Committee staff, might also be included in this session.

8. [] LIAISON Met with Ted Ralston, Senate Select Committee on Intelligence staff, who indicated the week he was spending at NPIC was tremendously worthwhile.

9. [] ADMINISTRATIVE DELIVERIES
Delivered to Henry Giugni, Administrative Assistant to Senator Daniel K. Inouye (D., Hawaii), the duplicate intelligence medal awarded to Senator Inouye.

10. [] ADMINISTRATIVE DELIVERIES
Delivered to Chris Aldridge, on the staff of Senator Birch Bayh (D., Ind.), Chairman, Senate Select Committee on Intelligence, the unclassified SNIE on nuclear proliferation which had been inadvertently released under FOIA. Aldridge had requested this previously.

25X1 17. [] LIAISON Called Thomas K. Latimer, Staff Director, House Permanent Select Committee on Intelligence, to tell him that NFAC (Dr. Sayre Stevens, one of the Deputy Directors of NFAC) believes that the Committee's efforts to evaluate CIA's intelligence reporting of the Ethiopia/Somolia area warrants a meeting with Dr. Robert Bowie, Director of NFAC. Tom thought that this would be a good idea and said that he would talk to the House Select Committee staffer, Dick Giza, who is the author of the letter requesting the evaluation and get back to me with his reaction.

25X1 18. [] CONSTITUENT Don Hoy, in the office of Representative Dan Daniel (D., Va.), called to ask whether we could help him determine whether a brother of a constituent (who happens to be on parole) is in jail in Cali, Columbia, and is as sick as the paroled brother alleges. I suggested to Don that he contact the Department of State, Consular Division. He said that he had and that they had only told him that the brother is in Colombia, but refused to divulge any further information. I told Don I was sorry, but that we were in no position to help.

25X1 19. [] LIAISON Accompanied Loch Johnson, House Permanent Select Committee on Intelligence staffer, during his meeting with []/DDO, to discuss further covert action. 25X1 The meeting went quite well. (See Memorandum for the Record.)

25X1 20. [] LIAISON Per [] of our 25X1 office, request, I sent by courier to Thomas K. Latimer, Staff Director, House Permanent Select Committee on Intelligence, a list of publications which have been sent to the oversight committees and which are retrievable through DOCEX at the Library of Congress.

25X1 21. [] LIAISON Russell Mills, of Representative Dan R. Glickman's (D., Kan.) office, called and said a constituent was inquiring about a "Reader's Digest" article concerning the number of Russian spies in the United States. He wanted to know if we had any statement to make about this article. I referred him to the FBI.
